

BOX SEALING TAPES

BOX SEALING TAPES

Adequate packaging of goods for distribution and preservation is critical. A package that fails to protect its contents against damage causes much waste in corporate processes as well as increasing municipal solid waste disposal as the goods must be thrown away. Good quality box sealing tape offers consistent packaging performance, cost effectiveness and clean efficient looking packages.

ACRYLIC BOX SEALING TAPE

- Quality acrylic adhesive tape provides consistent performance
- Ideal for long term storage and lightweight carton sealing
- Will not yellow with age
- Colour: Clear
